

Livonia Soccer Club Inc.  
Coaches Code Of Conduct

**The foregoing may not be all inclusive of the items that a coach must consider in fielding a soccer team within the LSC, Inc. organization. Many of our experienced Coaches insist that the most important aspect of our coaching system is the recruitment of a Team Parent or Team Manager. Considered as important as the Head Coach, this person is responsible for all or most of the paperwork and scheduling including telephone contacts and disseminating information. This person should also have a computer and know how to use it, should be adept at collecting money and be detail oriented. The Team Manager is usually responsible for making sure that all players have a game schedule, a practice schedule, and have directions to game venues.**

**Purpose**

This code of ethics has been developed by the NYSWYSA as a sample for clubs/leagues to adopt, support and enforce. The purpose of this code is to clarify and distinguish approved and accepted professional, ethical and moral behavior from that which is detrimental to the development of soccer within the NYSWYSA.

NY West has adopted this code to apply to all the coaches "employed" by the Association, and NYW strongly recommends that all of its member clubs/leagues, that do not currently have such a code of ethics, also adopt this code. The NYSWYSA requests that all clubs/leagues send a copy of their own code of ethics to the State Office or inform the office when they have adopted this code. NY West will hear any appeals that may come from clubs/leagues enforcing this code and will monitor its impact on the soccer environment. In the future NYW may approach the membership about making this code of ethics a required "minimum standard" for all clubs/leagues.

**Policy**

Coaching is a privilege offered and granted to individuals who perform capably during NYSWYSA sanctioned and affiliated associations' activities. It carries with it an obligation for each individual coach to uphold and promote the stated goals and objectives.
